coffee and desserts following

Proceeds will support  
the many fine Dubuque Community Projects  
for which the Dubuque Rotary Club  
is renowned.

*The Rotary Club of Dubuque was the first service club to step forward with a \$50,000 pledge to "The America's River Project." Each year we donate more than \$4,000 in toys to needy children through the Salvation Army. We help fund "SuperShot Saturday" with the Dubuque Visiting Nurse Association to provide inoculations for families in need. Annually we fund six \$1,000 scholarships to Tri-state high school seniors going on to college. And this year our "Human Needs" committee has allocated more than \$30,000 for additional projects in Dubuque. Your participation in events such as this one and "SwingFest" make this charitable work possible.*
